The initial interest rate is set by the date the application is received. Rates are held for 60 days from the date that the application is date-stamped as received at Guaranty Income. If money is received within that period and the rates have changed, we will guarantee* the higher rate. If we do not receive the money within the 60-day period, we will guarantee* the rate in effect at the time the money is received. Submissions must be received no later than 3pm Central Time on the business day prior to the effective date of an interest rate decrease in order to hold the higher rate. *Subject to the terms of the policy. Renewal rates depend on the Contract Issue Date: the application received date does not impact any rates beyond the first contract year.
