Guaranty Income Life Insurance Company is a best-in-class provider of annuity solutions, all delivering principal protection when held to maturity, access to funds during the maturity period and competitive rates. A MYGA, such as our Guaranty Rate Lock (GRL) for 3–10 years, offers the financial peace of mind that guaranteed rates and tax-deferred growth may provide. The GRL annuity is a powerful combination of guarantees, growth and simplicity. Its crediting rate is determined by the selected guaranty period and the amount of premium put into the plan.

A FIA, such as Guaranty Income's WealthChoice, delivers many financial perks, including:

- **Competitive crediting strategy options designed to perform well in various financial environments.**
- **Tax-deferred compounding.**
- **Protection from loss if index values decline.**

Guaranty Rate Lock MYGA (GI-MYGA02) and WealthChoice FIA (GI-FIA02) are underwritten and issued through Guaranty Income Life Insurance Company. Guarantees are backed by the financial strength and claims paying ability of the company. Product availability and features may vary by state. Please read the policy for exact details on benefits and exclusions. If there is a discrepancy between the product as it is generally described here and the policy or rider issued to you, the provisions of the policy or rider will prevail.

You should only consider purchase of an annuity if you intend to hold it through the guarantee period. Please consult your attorney or tax professional for legal or tax advice.

Withdrawals are subject to income taxation for the tax year that the withdrawals are made. If withdrawals are made prior to age 59½, they may also be subject to an IRS penalty.

A fixed index annuity is not a security and is not an investment in the stock market. Index account interest is based, in part, on index performance. Past performance of an index is not an indication of future performance.
